- (e) The Board shall have the right to reject all bids, proposals, replies, or

responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

- (f) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (g) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may take whatever steps reasonably necessary in order to proceed with the procurement of maintenance services, which steps may include a direct purchase of the maintenance services without further competitive selection processes.
- (3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. A contract for maintenance services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
 - (4) Renewal. Contracts for the purchase of maintenance services subject to this Rule may be renewed for a period that may not exceed five (5) years or the term of the original contract, whichever period is longer.
 - (5) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Section 8.0 Landowner Election Procedures

(1) Landowners' Meeting

In accordance with the provisions of Chapter 2005-307, Laws of Florida, and applicable provisions of Chapter 298, it is required that an annual meeting of the Landowners of the District be held in June of each year for the purpose of electing Supervisors and hearing reports of the Board of Supervisors. The assembled

Landowners shall organize by electing a Chairperson, who shall preside over the meeting with the Secretary of the Board of Supervisors for recording purposes.

(2) Establishment of Quorum

Any Landowner(s) present or voting by proxy shall constitute a quorum at the meeting of the Landowners.

(3) Voting

Each Landowner shall be entitled to cast one vote for each acre, or any fraction thereof, of land owned by him or her in the District, for each open position on the Board. (For example, if there are three positions open, an owner of one acre or less may cast one vote for each of the three positions. An owner of two acres may cast two votes for each of the three positions.) Each Landowner shall be entitled to vote either in person or by a representative present with a lawful written proxy.

(4) Registration for Casting Ballots

The registration process for the casting of ballots by Landowners or their representatives holding their proxies shall be as follows:

(a) At the Landowners ' Meeting and prior to the commencement of the first casting of ballots for a Board of Supervisor position, each Landowner, or their representative if proxies are being submitted in lieu thereof, shall be directed to register their attendance and the total number of votes by acreage to which each claims to be entitled, with the elected Secretary of the meeting or the District's Manager.

(b) At such registration, each Landowner, or their representative with a lawful proxy, shall be provided a numbered ballot for the Board of Supervisor position(s) open for election. A District representative will mark on the ballot the number of votes that such Landowner, or their representative, is registered to cast for each Board of Supervisor position open for election.

(c) All Landowner proxies shall be collected at the time of registration and retained with the Official Records of the District for subsequent certification or verification, if required.

(5) Nomination of Candidates

At the meeting, the Chairperson shall call for nominations from the floor for Candidates for the open seats on the Board of Supervisors. When there are no further nominations, the Chairperson shall close the floor for nominations. The

names of each Candidate and the spelling of their names shall be announced. Nominees need not be present to be nominated. After the nominations are received and the floor closed for nominations, the Chair shall ask if the persons nominated accept the nomination (this will ensure those nominated for Supervisor wish to serve).

(6) Casting of Ballots

Registration and the issuance of ballots shall cease once the Chairperson calls for the commencement of the casting of ballots for the election of a Board of Supervisor and thereafter no additional ballots shall be issued.

The Chairperson will declare that the Landowners, or their representatives, be requested to cast their ballots for the Board of Supervisor(s). Once the ballots have been cast, the Chairperson will call for a collection of the ballots.

(7) Counting of Ballots and Seating of Supervisors

(a) Following the collection of ballots, the Secretary or District Manager shall be responsible for the tabulation of ballots in order to determine the total number of votes cast for each candidate that is seeking election to that particular open position and for determination of the number of votes cast for each candidate for such position.

(b) The candidate receiving the highest number of votes for the particular Board of Supervisor position for which said votes were cast shall be declared by the Chairperson as elected for such Board of Supervisor position following the Secretary's submission of the tabulation for that election.

(c) The process shall be repeated for each Board of Supervisor position open for election until counting of ballots has been conducted for all such positions.

(d) Following the election and announcement of the votes, the Chairperson shall ask the Landowners present, or those representatives holding proxies for Landowners, whether they wish to contest the election results. If no contests are received, said election results shall thereupon be certified and each newly elected Supervisor will thereupon take the Oath of Office and be seated as a member of the District's Board of Supervisors.

(8) Contesting of Election Results

If there is a contest, the contest must be addressed to the Chairperson and thereupon the individual casting a ballot that is being contested will be required to provide proof of ownership of the acreage for which they voted at the election

within five (5) business days of the Landowners' Meeting. The proof of ownership shall be submitted to the District Manager who will thereupon consult with the District's General Counsel and together they will review the material provided and will determine the legality of the contested ballot(s). Once the contests are resolved, the Chairperson shall reconvene the Landowners' Meeting and thereupon certify the election results.

(9) Recessing of Annual Landowners ' Meeting

In the event there is a contest of a ballot or of the election, the Landowners ' Meeting shall be recessed to a future time, date and location, at which time the election findings on the contest shall be reported in accordance with the procedure above and the newly elected Supervisor(s) shall thereupon take their Oath of Office.

(10) Proxy Provisions

(a) Each Landowner shall only be entitled to vote in person or by means of a representative attending in person and holding a lawful written proxy in order to cast said Landowner ' s votes.

(b) Proxies will not require that proof of acreage ownership be attached. Rather, proof of ownership and the owner's voting consent to the proxy holder must be provided timely by the holder of the proxy, if the proxy is contested in accordance with the procedure above.

Section 9.0 Effective Date.

These Policies and Procedures shall be effective ____, 2024.
